

BROWARD COUNTY EDUCATORS HURRY! HURRY! COME SIGN UP! HIV/AIDS ONLINE COURSE BEING OFFERED!!

Note: The Human Sexuality and HIV/AIDS Education are part of Florida State statutes 1003.46 and School Board Policy 6000.1 mandating that every student be educated on the topics listed above. The online courses will provide teachers with all the protocols and guidelines.

The Broward Virtual University is offering two classes listed for HIV/Sexuality online.

1. Intro: Family Life and HIV/AIDS (new) - is for teachers who NEVER taught this subject matter before and wish to learn all the “ins and outs” of the instruction. It is recommended for new teachers and teachers who may not have taught the material in a long while. **This course does meet the requirement for certification. Upon completing online course, new teachers are automatically certified for three years. The course below is the refresher for those teachers whose certification needs to be renewed.**

Course dates: offered only once! Register today! See below for registration tips.

Jan 25 (registration due by Jan 8)

2. HIV/AIDS: A Framework for Prevention - this is the recertification course offered to teachers who cover this material. FL. statutes require teachers to take this course every 3 years, and to keep a record of their training on file. This course is open to all teachers who cover this topic in their curriculum. **It is a mandatory course for these teachers.**

Course dates: offered 3 times! Register today! See below for registration date & tips.

Oct. 12 (registration due Sept. 25)
