

Project Deliverables

The following must be implemented prior to receiving stipend for the 2009-2010 school year:

- Attend a 1 one day Social Norms training workshop and its implementation within schools and community
- Facilitate and obtain approval for all Social Norms special events and activities at all of the schools
- Disseminate social norms information and/or print material, including posters on a biweekly basis and Stall Seat Journals on a monthly basis
 - Display all banners created for the Social Norms campaign.
- Actively involve the community, parents, school personnel and students in the social norms message
 - Ensure that morning announcements are made on a weekly basis or as arranged by administration and workgroup
 - Assist in social norms presentations to classes in the school
 - Work with S.G.A. to develop a student committee (or "Street Team") to assist with events and material dissemination
 - Oversee a Social Norms skit in collaboration with the Drama students
 - Facilitate placing two social norms articles in the school newsletter and website
 - Ensure information for Social Norms campaign is regularly updated on the website
 - Work with personnel to enable screen savers to be placed on computers in the media center, classrooms and computer labs
- Assist in the planning and implementation of all evaluations (intercept survey and end of the year surveys)
- Participate in workgroup meetings as arranged by Social Norms Project Coordinators
