

Human Trafficking: Here in Broward County!

OUR CHILDREN ARE BEING RECRUITED

KNOW THE SIGNS
AND MAKE IT STOP!

Florida ranks 3rd in the country in human trafficking, and it happens right here in Broward County. 13 is the average age of child victims, and they are forced to perform an average of 15 sex acts a day. Children are recruited at school, by their peers, and in ALL neighborhoods and from ALL walks of life. Awareness is Key! Do you know your child's friends and their families?
